GLAM HAPPENINGS

GLAMOUR'S guide to this month's must-haves.

By **Claudia Mahoney**

Juicy Couture has produced a stunning limited-edition range called the 'Bird' collection and we've fallen in lust with it all. Pared-down slouchy shapes are given a touch of glamour, such as this racer-back vest with a sequined top layer, £315. Perfect with jeans and a blazer. For details, call 020 7629 8637

The art of fragrance

Ed Hardy by Christian Audigier is launching its signature fragrance in the UK (£35 for 50ml eau de toilette). The bottle design is inspired by the personal tattoos of Don Ed Hardy and the scent is fresh, fruity and modern. Visit Edhardyfragrances.co.uk
